With the same SUPER HOTEL Omotenashi, enjoy peace of mind and comfort as if you were in Japan.

Our Dedication to Omotenashi

Double No.1 Awards in Customer Satisfaction Surveys

Japanese support available anytime, 24 hours a day, 365 days a year

With Japanese-speaking staff always on site, we promise you consistent peace of mind and comfort even when you are traveling

Japanese TV channels and high-speed internet

You can watch Japanese terrestrial, BS, and CS channels in the hotel, and enjoy comfortable high-speed internet access.

Healthy ionized water

We provide healthy ionized water with excellent permeability and antioxidant properties, rich in energy, throughout the entire hotel.

Clean air environment

A photocatalytic air purifier, also used in medical institutions, is installed in the lobby on the second floor, and air purifiers are also provided in the guest rooms, ensuring a clean air environment where you can stay with peace of mind.

Our dedication to ensuring a restful night's sleep

Choice of comfortable pillows

You can choose your favorite pillow from several types with different firmness and height.

Original mattress

By adopting a 5-zone pocket coil structure, pressure on the body is reduced, allowing you to sleep soundly in an optimal posture

Super Comfort Pajamas

Soft and comfortable to wear, these pajamas support a good night's sleep. In addition, the effect of MICA processing activates biological functions and immune cells, helping to regulate the body's rhythm.

Soundproof design

With soundproof design, you can sleep soundly in a quiet environment like a library.

Guest Room & Facilities – We provide high-quality relaxation and comfort.
